

Integrated MSK radiology: Anatomical keys & advanced imaging

**Pre-
Congress
Course**

International Skeletal Society
Regional Outreach Program
Wednesday May 13th

Scientific program:

08:45 - 09:00 a.m. **Welcome and introduction**

09:00 - 09:20 a.m. **Ankle tendons and retinacula**
Jenny Becardino

09:20 - 09:40 a.m. **CT like imaging in
MSK pathologies**
Mahesh Prakash

09:40 - 10:00 a.m. **Differentiating between
degenerative and inflammatory
arthritis**
Anne Cotten

10:00 - 10:20 a.m. Coffee break

10:20 - 11:20 a.m. **Group tutorial session 1**
Jenny Becardino
Mahesh Prakash
Anne Cotten

11:30 - 11:50 a.m. **MRI of ankle ligaments**
Jenny Becardino

11:50 - 12:10 p.m. **MRI of bone marrow**
Mahesh Prakash

12:10 - 12:30 p.m. **Sacroiliitis or not?**
Anne Cotten

12:30 - 01:40 p.m. Lunch break

01:40 - 02:40 p.m. **Group tutorial session 2**
Jenny Becardino
Mahesh Prakash
Anne Cotten

02:40 - 03:00 p.m. Coffee break

03:00 - 03:20 p.m. **Tennis leg: Anatomic
and imaging update**
Jenny Becardino

03:20 - 03:40 p.m. **Imaging of MSK tuberculosis**
Mahesh Prakash

03:40 - 04:00 p.m. **Spine infection:
what are the clues**
Anne Cotten

04:00 - 04:20 p.m. Coffee break

04:20 - 05:20 p.m. **Group tutorial session 3**
Jenny Becardino
Mahesh Prakash
Anne Cotten

05:30 - 05:45 p.m. Course evaluation and end

An additional registration fee will
apply for pre-congress courses.

Guest speakers:

Anne Cotten

Professor of the Department of
Radiology. University of Lille - Lille
University Hospital. Lille, France.

Mahesh Prakash

Professor of Radiology. Postgraduate
Institute of Medical Education and
Research (PGIMER). Chandigarh, India.

Jenny T. Becardino

Professor of Radiology and Vice-Chair for
Academic Affairs. Albert Einstein College
of Medicine. Montefiore Medical Center.
New York, USA.
